Detailed Description: A FRENCH INSPIRED ARCHITECTURE IN THE HEART OF DALAT CITY, VIETNAM, ANA MANDARA VILLAS DALAT RESORT & SPA IS A GREAT BARGAIN TO GET AWAY FROM THE DAILY HUSTLE AND BUSTLE. Seventeen villas line cobble-stone roads and verdant gardens built in the 1920's and 1930's. In the valley below is the French art deco city of Dalat. Beyond are distant mountains, a cool blue sky and later, a starry night. Located 5 minutes from the city center, Ana Mandara Villas Dalat Resort & Spa is the perfect base for you to enjoy exploring the surrounding landscaped areas and local culture and farming countryside. Meticulously preserved and bursting with character, Ana Mandara Dalat's Villas aim to bring you back to bygone years and forgotten times, when a day was spent walking along a grassy knoll or dozing off by a crackling fireplace. Enjoy: Stay 4 nights and Pay 3 nights
